Re: 2019 Marcus Volleyball Fundraising - Yearbook Ads

One of Marcus volleyball team's biggest fundraiser is our volleyball yearbook. The yearbook is in full color! **Each player and manager is expected to obtain ads totaling, at minimum, \$150. Of course, more is better!!** These ads can be from family, friends, or businesses. The money raised goes directly toward all volleyball teams for items such as uniforms, equipment, travel, tournaments, etc.

All yearbook ads will be due for everyone by Friday, September 27, 2019. We recommend getting an early start on your yearbook ads. If you have someone interested in purchasing the back cover or one of the inside covers, please know these are sold on a first come, first serve basis. It is very important that you notify the coordinator once you have sold one of these in order to avoid duplicate orders are not taken. The players and managers selling the ads are responsible for collecting the forms & money.

The businesses should email the ad to mhsvolleyballyearbook@gmail.com exactly as it is to appear in the yearbook (see email instructions on the order form). The player/manager collects the money & form and turns all paperwork and payment in by Friday, September 27, 2019. We will have a table set up at the games that night. **Businesses ARE responsible for designing their own ads!**

For the family ads, you just need to email the picture(s) and the text that you want included in your ad to mhsvolleyballyearbook@gmail.com. **You are not responsible for designing the family ads - the printer will do that for us.**

The order forms will be available on the website: www.marcusvolleyball.com

If you have any questions regarding a media guide ad, please contact Susan Davis at mhsvolleyballyearbook@gmail.com or 214-695-8389.

Important information and due dates:

- Each player/manager to generate at least \$150 minimum, in ads
- Payments & forms are due in full on Friday, September 27, 2019.
- Make checks payable to Lady Marauder Volleyball Booster Club or LMVBC
